

STUPID HAS A PRICE

(But, I Still Love this Accessory Part)

Installing the Finger Touch / EZ Drain Valve" with a 22mm wrench.

An invaluable tool when it's time to change the oil. Word to the wise: the Finger Touch EZ Oil Drain Valve has an "open" position, and a "closed" position.

ANSWER:

The installation dude moved the oil valve to the "open" position. He failed to close the valve. The result, 3 gallons of lube oil (synthetic at \$33/gallon) to be cleaned up.

Do you see a \$100 bill on the floor?

SOLUTION:

A six-pack of beer and two 25-pound bags of kitty litter.

Kitty litter, two 25-pound bags and another \$10.
